Tema: Thank you!

Dear Nicole,

Thank you so much for your great hospitality and interesting programme for the International Mayors Forum.

We are impressed by Viinius magic spirit, it's history, charm and cultural life.

We wish you all the best for the celebrating of Lithuania's 1000th birthday and also for the rest of the European Capital of Culture year!

Give our greetings to the Mayor and Vicemayor of Vilnius.

Kind regards
Siri
